

All Saints Day Pumpkin Activity

The saints are with us every day, helping and supporting us. Decorate your own saint pumpkin honoring your favorite saint. Take it home as a reminder that, wherever you go, you have a companion on the journey.

Materials:

Pumpkin

Felt or other fabric

Tacky Glue or dress pins to secure items

Paint, paint pens or sharpies

Scissors

Other suggested materials: googly eyes, pipe cleaners, cotton balls, construction paper, etc.

1. Choose your saint. For ideas, check out some of those listed on your Saint Posse worksheet.
2. Note any distinguishing features that could be created from the provided supplies to help identify your saint (clothing, hairstyle/beard, special object, etc.)
3. If time at the end, we'll introduce our saints to the large group.
4. Have fun!
